

L.A. Ram Football Film Available for Groups

"The Road Back" is the title of the 1966 Ram Hillites film now available for showing to groups in Southern California.

A 30-minute, all-color motion picture, spotlights the Rams' climb to third place in the National Football League's Western Conference.

The film can be reserved by calling WEBster 3-8291 or by writing to The Los Angeles Rams Football Co., 7813 Beverly Blvd., Los Angeles 90036.

Narrated by the club's radio voice, Dick Enbo, the 16mm film pays special tribute to fullback Dick Bass, who gained 1,090 yards in 1966 to set new team career and single season records.

Bass is shown in his most exciting runs of the year as he led the club to an 8-win, 6-loss record.

The film is dedicated to the memory of Bob Kelley.

Motorcycles Return As Friday Attraction

A Friday night fixture in the Southland for more than 30 years, the Southern California motorcycle campaign begins Friday at Ascot Park.

The two-wheeled racers have been running every Friday during the spring and summer and early fall since the depression days. They come into the 1967 season fresh from the most successful cycle campaign in Southland annals.

Ascot Park has been home base for the cycles on Friday night for more than a decade and J. C. Agajanian, the proprietor, looks forward to another big campaign.

"Aggie" has lined up more than 100 riders for the 18-event inaugural, starting at 8:30 p.m. Included is the perennial Pacific Coast champion, the "Flying Flea" Sammy Tanner. Tanner won his fourth Pacific Coast title last year.

Young Gene Romero of San Luis Obispo figures as a strong threat to Tanner's reign this year. So do such others as Mert Lawwill of San Francisco, Ralph White of Torrance, Rich Thorwaldson of L.A., Chuck Jones of Arcadia, Dan Haaby of Lawndale, Chris Draayer of Salt Lake City and Elliott Schultz, South Gate.

The Ascot half-mile is rated

Racing (1st Race 1:30 PM Tue-Sat)

How much safety do you want for your money?

Financial safety comes in all shapes and sizes. There are safe investments and risky investments—and ones that are in between. Depending upon how much risk you want to take, your money can be invested in a variety of ways.

Your savings, however, are another thing. This is money you do not want to risk—no

matter how safe the investment appears. This is money you want to be able to count on at all times and under all conditions. And when you want your money that safe and that available—you want it in the bank.
